DIETARY SUPPLEMENT

NET WT 8.5 OZ (240 q)

ENERGIZE

Designed by Harvard-trained scientists, and based on cutting-edge exercise physiology and performance nutrition research, Beachbody Performance uses scientifically backed ergogenic ingredients and plant-based nutrients to hel maximize exercise performance and recovery without an artificial colors, flavors, sweeteners, or preservatives.

Energize is formulated with key ingredients scientifically shown to improve exercise performance, sharpen focus, and delay muscle fatique. Key ingredients include beta-alanine to help increase muscle carnosine levels to buffer muscle acid buildup, increase muscle power output, and delay muscle fatigue. Plus, a low dose of natural caffeine from green tea to help enhance energy and sharpen focus and reaction time, and the powerful phytonutrient quercetin to
