BEACHBODY
PERFORMANCE™

ENERGIZE

LEMON

FORMULATED WITH KEY INGREDIENTS
SCIENTIFICALLY SHOWN TO:*

- » Improve intense exercise performance
- » Increase energy and endurance
- » Sharpen focus and reaction time

NET WT 8.5 OZ (240 g)

BEACHBODY PERFORMANCE™ SUPPLEMENTSDesigned by Harvard-trained scientists, and based on cutting-edge exercise physiology and performance nutrition research, Beachbody Performance uses scientifically backed *ergogenic* ingredients and plant-based nutrients to help maximize exercise performance and recovery without any artificial colors, flavors, sweeteners, or preservatives.

Energize is formulated with key ingredients scientifically shown to improve exercise performance, sharpen focus, and delay muscle fatigue. Key ingredients include beta-alanine to help increase muscle carnosine levels to buffer muscle acid buildup, increase muscle power output, and delay muscle fatigue. Plus, a low dose of natural caffeine from green tea to help enhance energy and sharpen focus and reaction time, and the powerful phytonutrient quercetin to help improve and sustain exercise performance.
